Hotel Le Meridien, Kochi

ITEM 0 WELCOME BY THE PRESIDENT

Prof. N.K. Samadhiya, IGS President, welcomed the members to 64th Annual General Meeting at the scheduled time. However, the meeting was adjourned for want of quorum and was reconvened after a break of two minutes.

Prof. N.K. Samadhiya, President, IGS thanked IGS-Kochi Chapter for making all necessary arrangements for the meeting.

The General Body was informed that many IGS members passed away this year. The General Body observed a two-minute silence as a mark of respect.

The President welcomed the Past Presidents of IGS, Members of existing and new Executive Committee and Members of IGS to 64th AGM. Subsequently, the agenda items were taken up for discussion.

ITEM 1 CONFIRMATION OF THE MINUTES

The Minutes of 63rd Annual General Meeting held online on 16th December 2021 on Zoom platform were circulated to the members as **Appendix-A** of the Agenda papers. No comments were received from the members. Prof. G.N. Gandhi proposed to adopt the minutes, which was seconded by Prof. R.K. Bhandari. The General Body approved the minutes.

ITEM 2 AUDITED ACCOUNTS FOR 2021-2022

The audited accounts of the Society for the period 01 April 2021 to 31 March 2022 were circulated to the members as **Appendix-B** of the Agenda papers. The salient features of the audited accounts were presented to the General Body using a Power Point Presentation by the Honorary Secretary, Prof. J.T. Shahu. He briefed the General Body on different heads of

Accounts. Shri R.K. Kulkarni proposed to adopt the accounts, which was seconded by Prof. K.S. Rao. The General Body adopted the Audited Accounts for the year 2021-2022.

ITEM 3 REPORT OF THE HONORARY SECRETARY

The Annual Report of the Honorary Secretary for the period between 16th December 2021 to 31st December 2022 was circulated to the members as **Appendix-C** of the Agenda papers. The same was presented by the Honorary Secretary, Prof. J.T. Shahu, during the meeting using a PowerPoint presentation. He informed about the election results of the New Executive Committee for the term 2023-2024 to the General Body. The members appreciated and adopted the activity report with loud applause.

ITEM 4 ADDRESS BY THE PRESIDENT

The address of the President was circulated to the members as **Appendix-D** of the Agenda papers. IGS President, Prof. N.K. Samadhiya, presented the salient features of the address, particularly the achievements during the past one year. The AGM adopted the report with a loud applause.

Prof. N.K. Samadhiya thanked all the IGS Local Chapters who had conducted at least one activity during this year.

ITEM 5 TO INSTITUTE AN AWARD IN FORENSIC GEOTECHNICAL ENGINEERING

Prof. J.T. Shahu, Honorary Secretary, IGS informed AGM about the proposal for the institution of an award in Forensic Geotechnical Engineering. The proposal was earlier approved by the Executive Committee. The details of the award were presented to the General Body. The General Body approved the award.

ITEM 6 TO INSTITUTE BEST TEACHER OF GEOTECHNICAL ENGINEERING AWARD

Prof. J.T. Shahu, Honorary Secretary, IGS informed AGM about the proposal for the institution of the 'Best Teacher of Geotechnical Engineering' award. The proposal was earlier approved by the Executive Committee. The details of the award were presented to the General Body. The General Body approved the award.

ITEM 7 HANDING OVER CHARGE TO NEW PRESIDENT

Prof. N.K. Samadhiya, President, IGS handed over the symbolic key of IGS to Dr. Anil Joseph as a token of handing over charge to the President Elect, who will take charge from 1st January 2023.

ITEM 8 SPEECH BY NEW PRESIDENT

The new President, Dr. Anil Joseph thanked AGM for electing him. He appreciated the work carried out by the outgoing Executive Committee during the last two years and the leadership of Prof. N.K. Samadhiya. Dr. Anil Joseph briefed the General Body about his future plans to take the IGS to even greater heights.

At the end of his address, Dr. Anil Joseph thanked one and all, and requested support from all members.

ITEM 9 ANY OTHER ITEM WITH THE PERMISSION OF THE CHAIR

9.1 IGS Foundation

Prof. J.T. Shahu, Honorary Secretary, IGS informed AGM regarding the proposal of creating IGS foundation. The proposal has already been approved by the General Body in its meeting held on 17th December 2020. The purpose of IGS foundation is to create a fund that can be used to undertake technical activities that may create impact.

The general body was informed that a subcommittee of EC was formed to prepare the modalities of IGS foundation. The subcommittee has submitted its report. The subcommittee has now been asked to give the recommendations on the details of the operationalization of IGS foundation. Once the recommendations are received, IGS Foundation will be operationalized. The General Body adopted the proposal.

9.2 Modification in Election Process and Change in the number of co-opted members.

Prof. J.T. Shahu, Honorary Secretary, IGS informed AGM about the following proposal to modify the Election Process and change the number of co-opted members.

1. The Members shall vote for minimum 50% of the EC member positions (rounded to a higher integer).
2. The number of co-opted members shall be increased from existing 2 to up to 3. Co-opted members shall have one year duration and shall be picked from unrepresented parts of India by the President. Thus, a maximum of up to 6 Co-opted members can be chosen during the two year duration of EC. A co-opted member shall be replaced if he does not attend two consecutive EC meetings.

The item had already been approved by the Executive Committee and the same was presented to the General Body.

The General Body pointed out that the matter was not circulated earlier. Therefore, the item was deferred to the next AGM.

The Meeting concluded with a Vote of thanks to the Chair.

HONORARY SECRETARY

PRESIDENT

6. VOTE OF THANKS

Dear Members, it is indeed an honour and privilege for me to present a vote of thanks to all the members who are present here to participate in AGM and IGC-2023. Before I formally thank everyone individually, I wish to place on record our special thanks to Prof. Mahendra Singh, Prof. N.K. Samadhiya, Prof. Satyendra Mittal and all the Organising Committee Members of IGC-2023 for their unstinted effort in organizing a magnificent conference.

I would like to present the highlights of some of the major activities carried out by IGS during the past one year.

In the last one year, five Executive Committee Meetings were held. All of these meetings were held physically.

As you all know, we had a grand IGC-2022 at Kochi last year. It deserves a special mention that a total contribution of Rs. **6 lakhs** was made to the corpus of IGS by the

IGS-Kochi Chapter from the savings of IGC-2022. Our sincere thanks to Mr. M.D. Nair and his team for their contribution.

Several local chapters have reported activities, namely, Seminars, Conferences and Workshops, organized by them throughout the year. Seminars/Conferences/Workshops were organized by our Chapters at – Agartala, Ahmadabad, Aurangabad, Baroda, Bengaluru, Bhubaneshwar, Calicut, Coimbatore, Delhi, Dhanbad, Guntur, Goa, Hyderabad, Hubli-Dharwad, Indore, Jabalpur, Jalandhar, Kochi, Kolkata, Mumbai, Mysuru, Pune, Raipur, Roorkee, Srinagar, Surat, Surathkal, Trichy, Vellore, Vishakhapatnam, Thiruvananthapuram, and other places on various emerging topics of interest.

My sincere thanks to Prof. Madhavi Latha, Outgoing Editor-in-Chief and her team and Prof. Deepankar Choudhury, Editor-in-Chief, Prof. Dipanjan Basu, Prof. D. Neelima Satyam, Prof. Krishna R. Reddy, Prof. A. Murali Krishna, Prof. Shobha K. Bhatia, Prof. R.G. Robinson, Dr. Limin Zhang, Associate Editors of Indian Geotechnical Journal for their splendid effort. With their effort, we could publish all six issues of the Journal during the year in time. It also gives me great pleasure to mention that IGS has received an amount of Rs. **10,64,320/-** as royalty from M/s Springer Nature India Pvt. Ltd. for publication of the Indian Geotechnical Journal. My special thanks to M/s Springer Nature India Pvt. Ltd. for the quality work they have done.

IGS NEWS has undergone a qualitative change. We are now regularly publishing technical articles, short summary of recently awarded doctoral theses, and job openings in the area of geotechnical engineering in both academia and industry in the IGS Newsletter. The Editorial responsibility of IGS NEWS is with me and the Editorial Board Members, and we are ably supported by Shri Sanjay Arora, Executive Secretary, who is also the Associate Editor. My sincere thanks to Editorial Board Members, Dr. Ravi Sankar Jakka, Dr. K. Naga Sreenivasa Rao, and Dr. Anitha G. Pillai for their consistent effort. With their effort, we could publish all four issues of the IGS NEWS during the year in time. I wish to thank our advertisers for their support and continued patronage to promote the IGS NEWS.

As you would have noticed, the IGS web portal now bears a new look. The new Website is more user-friendly with trending features and the latest UI components assets in-built. The new website is fully optimized for Desktop and Mobile with Social Media Friendly. Online Election procedure is now simplified in the new website compared to the old website, results, and other details are now easily accessible online to members. IGS Members have a new and simplified dashboard on the website and can manage their profile/message with other options.

Before concluding, I would like to thank Shri Sanjay Arora, Executive Secretary, Mrs. Raveena Podishetty, Technical Secretary, Shri Shiva Darshan Mehta, Shri Shish Pal Singh and Shri Kishan Swarup, the IGS Secretariat Staff, for their sincere work and dedication in running the affairs of the society smoothly. Special thanks are due to Dr. R.

Ayothiraman and Mrs. Aarti Bhargava, signatories for banking operations, for extending all their cooperation in signing the cheques.

Last but not least, once again I thank the Organisers of IGC-2023, Prof. Mahendra Singh and his team, particularly the student community, who have done voluntary and selfless service, and deserve all our praise and appreciation.

On behalf of IGS, I take this opportunity to extend best wishes and a very Happy New Year 2024 to all of you and your family.

A.P. Singh

REPORT BY THE PRESIDENT

Dear Distinguished Members,

I am truly honored and humbled to serve as the President of Indian Geotechnical Society during this historical milestone period, when we are celebrating our 75th year of formation. The symbolic key of IGS was handed over by Immediate Past President Prof. N.K Samadhiya on 15th December 2022 during the AGM which was held during IGC 2022 at Hotel Le Meridien Kochi. I take this opportunity to congratulate the previous team led by Prof. N.K Samadhiya, Prof. J.T Shahu and National Executive Committee members for the excellent works done during their tenure. As part of the 75th year Celebration of our society, most chapters have organized special events and I appreciate the efforts in this regard. The IGS local chapters were very active during this year, conducting a wide range of activities on a variety of subjects such as laboratory testings, field investigations for infrastructure projects, non-destructive testing, geotechnical earthquake engineering, ground improvement, rock engineering, towards better practices in geotechnical engineering, landslides, geo-environmental, geothermal piles and numerous site visits.

Few among the major events conducted are; 6th Prof. T.S Ramanatha Ayyar Lecture organized by IGS Thiruvananthapuram chapter and Department of Civil Engineering, College of Engineering Trivandrum at CETAA Hall, Trivandrum on 03.02.2023, "Connect and Celebrate" organized by IGS Pune Chapter on 11.02.2023 to mark the commencement of 75th year celebration of IGS. One-day national seminar on "Geotechnics for transportation Infrastructure" was organized by IGS Surat Chapter and CSIR at SVNIT Surat on 25th March 2023. B.K Ramiah Memorial lecture was organized by IGS Bengaluru chapter at IISc Bangalore on 31st March 2023. IGS Srinagar chapter organized a five-day ISSMGE TC -216 Workshop on "Advancements in Geotechnical and Foundation Engineering for difficult ground conditions" at NIT Srinagar held from July 26-30, 2023, IGS-Kolkata Chapter has organized a National Seminar titled "Geotechnics- Recent Advancement in Research and Practice" from August 4-5, 2023, at Jadavpur University, Local chapters of Maharashtra organized "MAHAFEST", from September 12-13, 2023 as part of the 75th year celebrations, A one-day workshop on Sustainable Geotechnical infrastructure was organized by IGS Jalandhar chapter at NIT Jalandhar on September 29, 2023, The local chapters in Karnataka conducted Karnataka Geotechnical Fusion KGF 2023 at Mysuru on November 4-5, 2023 and the local chapters in Kerala conducted GeoKeralam on November 17-18, 2023 at Kochi as part of the 75th year celebrations. The IGS Trichy chapter in association with NIT Tiruchirappali and NIT Puducherry organized Geo Champions 2023, a national-level student contest that tests the knowledge, practical exposure and critical thinking of teams of postgraduate students in the field of Geotechnical Engineering to celebrate the occasion of 75th year celebration of the IGS.

Various online events in collaboration with International Geotechnical Societies were held during this year. An online One-day Indo – UK Workshop organized by IGS Jodhpur chapter and IIT Jodhpur on Design of foundation systems for offshore wind turbines – Indian perspective on 04.02.2023, 1st Indo-Italian workshop on Landslide Hazard: Forecasting, Monitoring and Forewarning was organized by IIT Indore and University of Florence in association with Indian

Geotechnical Society on 09.02.2023. The 9th Indian Young Geotechnical Engineering Conference (9IYGEC) was successfully conducted by MIT, Aurangabad on March 21-22, 2023. 70 papers were presented in the conference from 20 different states. During this year, four new local chapters were inaugurated at Dhanbad, Mysuru, Calicut, and Ujjain taking our total number of local chapters to 52, I congratulate the local chapter office bearers for the efforts taken to form the new chapters. Efforts are in progress for formation of new chapters at Rewa, Palakkad, Aligarh, Dehradun, Lucknow and Pondicherry. Life membership of our society have increased considerably with the discount offer in connection with 75th year celebration and the increase in number of Student chapters is appreciable. Happy to note that the student chapters are conducting various technical events in both online and offline mode.

We were able to honour many of the Indian GeolegendS during the IGC 2022 at Kochi and honored Prof. T.G Sitaram, Dr. A.K Dhawan, Prof. Chandan Ghosh, Major General Dr. S N Mukherjee, Prof. A Sridharan, Prof. K.S. Subba Rao, Dr N V Nayak, Dr. R Kuberan and Prof Swami Saran who were not able to make it to IGC 2022. We had the sad demise of Dr R Kuberan on May 8, 2023 and also lost few of our members during this year. I express my deep condolence and pray to the Almighty to give strength to their families to bear the loss, and may the departed souls rest in peace.

As per the invitation of Nepal Geotechnical Society, a four-member team comprising of myself, Dr. A.P. Singh, Prof. Murali Krishna and Prof. Neelima Satyam attended GeoMandu 2023, an International conference on Geohazards and Geo-Infra Disasters organized by Nepal Geotechnical Society held from 16th to 17th March 2023 at Kathmandu. About 350 delegates from 10 countries participated in the conference. A meeting among the representatives of the national member societies in South Asia was held on 16th March 2023 at Radisson Hotel, Kathmandu to discuss the proposal on building a loose network of the South Asian national member societies of ISSMGE. The proposed countries comprise of Nepal, Pakistan, Sri Lanka, Bangladesh and India. Had the opportunity to attend, ISSMGE Asian Regional Technical Committee International Workshop on Geotechnical Engineering for Cultural Heritage Geo-SAKURA 2023 from 15th -16th April 2023 at Nara, Japan. A meeting of the Korean Geotechnical Society, the Japanese Geotechnical Society, and the Indian Geotechnical Society was held during the Workshop and it was decided to start joint biennial workshops with JGS, KGS, and IGS. The first workshop is proposed to be held on May 11, 2024, in Osaka, Japan. The second workshop will take place in Korea in 2026, and the third workshop will be in India in 2028.

I was privileged to lead the Indian Geotechnical Society team to attend the 17th Asian Regional Conference organized by Kazakhstan Geotechnical Society (KGS) at Hotel Hilton, Astana, from 14th to 18th August 2023. The theme of the Conference was "Smart Geotechnics for Smart Societies". About 600 delegates from various geotechnical societies under ISSMGE attended the Conference. From India, 43 papers were submitted, and 36 delegates participated in the Conference. I am happy to inform you all that India has won the bid for hosting the 1st Geotech Asia to be held in 2025 during the Asian Council Meeting held at Astana, Kazakhstan. The idea of starting Geotech Asia was proposed and won with 18-3 voting of the member countries present. After India's presentation for 1st Geotech Asia, all the other three contestants, Thailand, Iran and Pakistan, agreed not to challenge India for 1st Geotech Asia. After the 1st Geotech Asia was awarded to India, India withdrew from the 18th ARC contest, and the voting was carried out.

For the 18th ARC, Thailand got thirteen votes, Iran got eight votes and Pakistan got three votes. 1st Geotech Asia will be held in Mumbai, India in 2025.

Based on the invitation from the Moscow State University of Civil Engineering, participated in the “International Scientific and Practical Symposium: The future of the Construction Industry: Challenges and Development Prospects” organized during 18th to 22nd September 2023 at Moscow, Russia and delivered a Special lecture. As per the invitation received from Sri Lankan Geotechnical Society, attended the Annual conference of Sri Lankan Geotechnical Society as Chief Guest and delivered Keynote address on the theme “Near/offshore Geotechnical Design and Construction” on 23rd October 2023 at Colombo. Visited the geotechnical laboratory of the Centre for Infrastructure Renewal at Texas A&M University, USA, on May 12, 2023, headed by the Director, Prof. Anand Puppala and the possibility of organizing an Indo-US Workshop in 2024 was discussed. Had the opportunity to meet Paul Burton, Secretary TC220 of ISSMGE at Auckland, New Zealand, on June 5, 2023 and requested support for 12th ISFMG 2026 to be held at IIT Indore. Had meeting with Dr Phung Duc Long, President, Vietnamese Society for Soil Mechanics and Geotechnical Engineering at Hanoi on 09.11.2023 and requested support from Vietnamese Society for strong representation in the 1st Geotech Asia to be held at Mumbai in October 2025.

As part of the buildup for the 12th ISFMG Conference to be held at Indore, ISSMGE TC– 220, monthly lecture series was inaugurated on August 25, 2023 and Dr Anil Yunatci, an esteemed expert from GeoDestek Ltd, Turkey, delivered the inaugural session. Dr Lin Wang, Chuo Kaihatsu Corporation, Japan, was the speaker for the second session. The third session was delivered by Dr. Skevi Perdikou and the fourth session was delivered by Dr. Ann Elisabeth Albright Blomberg. Our dynamic website has been launched on September 30, 2023 during the National Executive Committee meeting held at NIT Jalandhar by the hard work and dedication of the team led by Ms. Aarti Bhargava. I am glad to inform that the Indian Geotechnical Journal has received an Impact Factor of 1.4. Congratulations to the excellent leadership of Prof Madhavi Latha, Prof Deepankar Choudhury and the editorial board, authors, reviewers and everyone associated with our journal. Thanks to Prof. Ravi Jakka and team for their sincere efforts in publishing our newsletter with rich content. Thanks to the team led by Prof G Sridevi for guiding the establishment of new student chapters and conducting the GeoVisleshana 2023 for unleashing the skills in Geotechnical Engineering for Undergraduate Civil Engineering Students and congratulations to all the winners. Bright Spark Lecture session is introduced in IGC 2023 to promote young members of IGS and ISSMGE below 36 years as per the guidelines of ISSMGE and I congratulate the Bright Spark Lecture awardees. Also, as part of ISSMGE Heritage Time Capsule (HTC) project, we collected the contributions from individuals and groups working on different TCs of the International Society for Soil Mechanics and Geotechnical Engineering (ISSMGE). These contributions are gathered and aimed to show the developments and innovations made with way forward in Indian construction industry. It is designed to be useful for the present and future generations of geotechnical engineers, researchers and practitioners. I would like to thank Prof. D Neelima Satyam for her dedicated efforts for Heritage Time Capsule (HTC) project and TC 220 Lecture Series.

The team from IGS under the leadership of Prof. H.N. Ramesh is actively interacting with Bureau of Indian Standards in the revision and formulation of IS Codes connected with Geotechnical

Engineering and also ensuring adequate representation of IGS in the committee for revision of National Building Code. I appreciate the efforts of the team led by Prof G Madhavi Latha for planning a special issue of the book on 75 Influential Indian Women in Geotechnical Engineering and for planning the "Women Indian Geotechnical Conference-Geotechnics Towards Sustainable and Resilient Infrastructure" to be held during March 8-9, 2024 at the College of Engineering Guindy Campus, Chennai. Discussion and meetings with NABL team is in progress to improve the quality of Geotechnical laboratory tests and to standardize the process. It is encouraging to see that the software operations committee, is working to assist the student members with their academic needs.

During this tenure a special executive committee meeting was held at Pune and the 234th to 237th National Executive committee meetings were held at Aurangabad, Bhubaneswar, Jalandhar and Roorkee. I congratulate the respective local chapters for making all arrangements for the conduct of EC meetings and for the wonderful hospitality. The prestigious annual conference IGC 2023 is in progress at IIT Roorkee and I congratulate the organizing team for all the efforts put in to make the event a grand success.

Thank you, members, for your continued participation and enthusiasm in our professional community. I would like to put on record my sincere appreciation to our Hon. Secretary Dr A.P Singh, our National Executive committee members, and our office staff led by Sanjay Arora and Raveena P for their hard work and efforts to take our society to greater heights. I would also like to thank Convenors and members of the 23 subcommittees, Past Presidents and eminent **Indian GeolegendS** for all the resources, guidance and support they provide. I conclude with quote of Walt Disney, "All our dreams can come true if we have the courage to pursue them". With the dedicated team, we will try to make our dream a reality, and I believe that "Together We Can and We Will".

Dr. Anil Joseph
President, Indian Geotechnical Society
