

**One day Seminar on
ADVANCES IN
GEOTECHNICAL ENGINEERING
FOR
SUSTAINABLE DEVELOPMENT
(AGESD-2023)**

10 April 2023

Organized by

**IGS Srinagar Chapter
in Association with Department
of Civil Engineering
National Institute of Technology
Srinagar J&K-190006**

ELIGIBILITY

This program is open to faculty members, research scholars, PG & UG Students.

REGISTRATION

Registration fee: Nil

ABOUT THE INSTITUTE

National Institute of Technology, Srinagar was established in 1960 as the Regional Engineering College, Srinagar. The Institute acquired the status of NIT in August, 2003 and attained full autonomy in its Academics. In 2007, it became an Institute of National Importance. It is one of the 31 NITs and it is directly under the control of the MHRD. The Institute is situated at the banks of world-famous Dal Lake. Besides

running various undergraduate, post graduate and doctoral programmes, Institute has also established an Innovation Incubation and Entrepreneurship Development (IIED) centre.

ABOUT THE DEPARTMENT

The Department of Civil Engineering was established in the year 1960 and is among the oldest departments in the institute. The department runs one undergraduate programme leading to a bachelor's of technology (B. Tech) degree in Civil Engineering, Four postgraduate programmes leading to a Master's of Technology (M. Tech) degree in Water Resources Engineering, Structural Engineering, Geotechnical Engineering and Transportation Engineering & Planning. The department also runs a PhD programme. The department has experienced and distinguished faculty with all of them having Ph.D. from renowned institutes from India and Abroad. There are well equipped fifteen laboratories in the department catering to the needs of the students. A number of students are recruited by various organizations including public sector undertakings such as PowerGrid Corporation of India, L&T India, Simplex Infrastructures Ltd, Indian Oil, Bharat Petroleum, Bharat Heavy Electricals Limited to mention a few.

ORGANIZING COMMITTEE

PATRON

Prof. (Dr.) Rakesh Sehgal

Director, NIT Srinagar, J&K

CO-PATRON

Prof. S. K. Bukhari

Registrar, NIT Srinagar, J&K

Prof. (Dr.) M. R. Madhav

Guest of Honor

CONVENOR

Dr. A. Q. Dar
Prof. and Head, Deptt. of Civil Engineering

Prof. F. A. Mir

Vice Chairman,

IGS Srinagar Chapter

COORDINATOR

Dr. B. A. Mir, Professor
Department of Civil Engineering
(Hon. Secretary IGS Srinagar Chapter)

ABOUT THE SEMINAR

The Department Civil Engineering, National Institute of Technology Srinagar, J&K is organizing One Day Seminar on Advances in Geotechnical Engineering for Sustainable Development (ACESD 2023) and is inviting scholars, researchers, and engineers to register themselves and get benefitted from cutting-edge, exciting, and new breakthrough work in the areas of Geotechnical Engineering.

The One-day Seminar will be held on 10 April 2023, at N. I. T. Srinagar, J&K by Civil Engineering Department in cooperation with Indian Geotechnical Society Srinagar Chapter.

This Seminar aims to provide a forum for dissemination of modern knowledge on civil and infrastructure engineering by scholars, and researchers to share and exchange knowledge and experience in research on sustainable development related to Geotechnical applications in Civil Engineering Practice.

EMINENT SPEAKERS

1. Prof. (Dr.) M. R. Madhav, Institute Fellow, IIT, Kanpur, AICTE-INAE Distinguished Visiting Professor, mentoring VNR VJIT and College of Engineering, Andhra Univ., Visiting Professor, IIT, Hyderabad, Professor Emeritus, J.N.T.U, Hyderabad, India.
2. Dr. B. A. Mir, Professor, Department of Civil Engineering, National Institute of Technology (NIT), Srinagar J&K, India.
3. Dr. Majid Hussain, Assistant Professor, Department of Civil Engineering, National Institute of Technology (NIT), Srinagar J&K, India.
4. Dr. R. P. Shukla, Assistant Professor, Department of Civil Engineering, National Institute of Technology (NIT), Srinagar J&K, India.
